### Could You, Would You?

Stevenson

Could you meet a seal on the rear seat of a jeep? Yes, you could meet a seal on the rear seat of a jeep - but you probably would not.	18 30
Could you wait a week for a toad to leap onto a road? Yes, you could wait a week for a toad to leap onto a road - but you probably would not.	48 62
Could you sail in a boat with a foal and a goat? Yes, you could sail in a goat with a toad and a goat - but you probably would not.	81 92
Could you soak your hair in a pail? Could you leap into a load of coal? Could you read to a leaf? Could you wail and moan if you had beef with your meal?	109 126
Could you roam on a road in the rain and hail? Could you seek a deer with soap on its feet? Yes, you could - but you probably would not.	143 155
Could you feel neat if your team made a goal? Yes you could - and you probably would.	170 172
